

# Balcatta Football Club

## 2018 Season Registration Fees

**Important Information** for parents, please take a few minutes to read.

### **National Premier League (WA):**

Balcatta FC is one of a select few NPL soccer clubs in West Australian.

To reach NPL status, Balcatta FC has had to meet the stringent condition set out by the FFA (Football Federation Australia) and Football West.

Balcatta FC provides the best opportunities available to junior players to follow elite NPL development pathways or juniors that want to come down and enjoy the beautiful game.

### **Self-Funded Operating Expenses:**

Unlike Aussie Rules (AFL), soccer clubs in Western Australia receive NO funding by governing bodies.

At Balcatta FC we rely on our player registrations, sponsors, fundraising, members and volunteers to meet our operating expenses.

### **Fee Adjustment:**

We do our best to make Soccer affordable to every family while still delivering top tier NPL facilities.

In 2018 we have had to adjust the registration fees & structure to fairly contribute to the additional operating expenses incurred by the club. Some of these include:

- **Increased numbers;** in 2017 we had a large increase in numbers causing us to run out of space so we trained over 2 venues. This year we have budgeted to cover the extra cost of the additional training venue to ensure we have sufficient training space in 2018.
- **Quality of education;** we have reassessed our junior development programs and are delivering technical development programs to include all players, not just the elite pathway. Our technical director will charge developing our coaches to ensure we deliver high quality education to every junior player.
- **Game day strips;** in 2018 we are updating game day strips for junior players.

## **2018 Fee Structure:**

### **Base Club Fee (per player)**

Ages 3 to 5 (Bambini over 8 weeks)	<b>\$120</b>
Ages 6 & 7 (Clusters)	<b>\$300</b>
